

Discontinued Products			
Product to be Discontinued	Product Description	Alternate Product	Comments
1004	"Sunlights' E-glass /translucent, sun cured, polyester resin	none	
1009	Nylon reinforced acrylic	none	Previously discontinued
1011	Nylon reinforced epoxy	none	
1094	Woven fiberglass roving reinforced polyester (ballistic)	none	
1102	Woven glass reinforced phenolic w/Grey Tedlar	1367A	Supply as 1367A w/Grey Tedlar; subject to MOQ
1166	Woven glass reinforced polyester	1066 or 1076A	
1394	S-2 glass reinforced phenolic (ballistic)	none	
1401	Transparent laminate	none	
4006	Aluminum facings/Nomex honeycomb	none	
4014	Aluminum facings/aluminum honeycomb, 300°F temp adhesive	4030	
4016	Uni-carbon phenolic/Kevlar honeycomb	none	
4019	Uni-carbon phenolic/Nomex honeycomb	none	
4022	Woven glass phenolic facings/Nomex honeycomb	4022A 4022B	Supply as either 4022A or 4022B. 4022 is an obsolete part no.
4039	Woven E-glass epoxy facings/aluminum honeycomb	5202	
4088	Uni-glass epoxy/aluminum honeycomb	5424	
4205	Uni-carbon phenolic/Nomex honeycomb	4505/4605	Original Airbus cabin floor panel design. Superseded by 4505 (high traffic), 4605 (low traffic).
4230	Aluminum facings/aluminum honeycomb, cosmetic grade	4030	
4305	Woven glass epoxy facings/ Nomex honeycomb core	none	
4317	Uni-glass epoxy/Nomex honeycomb	4417	
4323	Woven glass phenolic facings/Nomex honeycomb	4223	Original Airbus bulk cargo floor panel design. Superseded by 4223.
4617	uni-glass epoxy facings/Nomex honeycomb	4417	
5017	Woven glass epoxy/Nomex honeycomb	4117	
5041	Aluminum facings/6.5 pcf balsa	5142	
5054	Rigidized aluminum facings/aluminum honeycomb core	none	
5072	Woven glass phenolic facings/Nomex honeycomb	5072A	
5320	Aluminum facings/crushed aluminum honeycomb core	5020	
5409	Unidirectional glass reinforced epoxy/Nomex honeycomb core	4417	
6066	Gillpatch 6006 without logo	6006	Originally sold as 'Gillstrip'. Product has been replaced by cargo tapes. Will continue to offer 6006 for applications not requiring compliance with FAR Part 25 App F Part III.
1018A	Fiberglass cloth/polyester resin	none	

1076R	Woven glass polyester cargo liner	1076A	Obsolete internal designation. 'R' suffix no longer used to designate rotocure manufacture.
1086B	Uni-graphite reinforced epoxy laminate	none	
1100G	S-2 glass reinforced phenolic (ballistic)	1367A	Superseded by DMS 2226(1167) and 2419 (1367A).
1108A 1108B	Unidirectional glass reinforced epoxy	1367E	Obsolete for new design. Superseded by BMS 8 223 CI 2 Gr A.
1122A	Nylon reinforced acrylic	none	Previously discontinued
1360A	Kevlar reinforced phenolic (ballistic)	none	
1360B	Twaron reinforced phenolic (ballistic)	none	
1366A	Woven glass reinforced polyester - no logo	1366	Designation change. Eliminate logo from 1366 to support all existing programs.
4018 4018T	Uni-glass phenolic facings/Nomex honeycomb core.		
4105A 4105B	Woven glass epoxy/Nomex honeycomb. 4105B has foil ply on back side.	4405A 4405B 4522	Original Airbus cabin and containerized floor panel for A300/A310 a/c. Superseded by 4405A, 4405B in cabin and 4522 in containerized cargo areas.
4106 4106A 4106B	Aluminum facings/Nomex honeycomb	none	Qualified for cabin/underseat McDD a/c. Superseded by 4417 Ty 1 and 4509 Ty 2
5007A 5007B	Woven glass polyester facings/end-grain balsa core	5007C	Replaced by contemporary designs (e.g.5424, 4417) in cabin areas. Continue to offer 5007C for freighter applications. 4x12 w/ 045/045 or 045/025 facings
5017A	Woven glass epoxy facings/ Nomex honeycomb core. Cosmetic finish	4117	
1266	Woven fiberglass cloth reinforced polyester cargo liner	1366
